Video Consultation Training Material

To Test Video Consultation, please follow the instructions given below.

Before starting your video consultation, we strongly recommend you to visit <https://test.webrtc.org/> and click on the START button there.

If everything is fine, you should see GREEN color for Microphone, Camera and Throughput. If any of these are RED, then you need to fix the problem before starting video consultation.

Instructions for Doctors

Training Material for Doctors for Video Consultation

1. Goto app.docpulse.com
2. Enter the Username & Password.
3. Under "EConsult", click on "Video Room". Here doctors will be able to see all the patients who have booked appts for the day. Patient Icon will be in Red initially and once the patient connects, it will change to Green.
4. Once the patient comes online, the icon changes to "Green" colour & a button "Connect to Session" (Orange Colour) gets enabled on the right side. Click on it and start the Video Consultation.

Once the Video Consultation is complete, you can click on "Hang Up" to close the video. In case, the doctors would like to share the screen to explain the prescriptions then they can click on "Screen Share" to share the screen. (Only if extension is added in Chrome)

- 5. Click on "View Record" to view the EMR data entered by the patient OR after connecting the video, the doctors can click on "View EMR" to view the record.**
- 6. In Chief Complaints, the doctors can view all the complaints that is entered by the patient and also view the attachments attached by them. Once you click on "View PDF File" then the same will open in a new tab and the doctors will be able to view the attachment.**
- 7. Click on "Prescriptions". Enter the prescription by adding the medicine name, dosage, duration and Instruction. Doctors can also enter the Advise in the text area below prescriptions.**
- 8. Last, click on "Preview & Respond" to respond to the patient. If clicked on the "Save Response" button then it will just save the response. "Send Response" will send a response to the patient and the patient will be able to upload any additional reports OR put in their comments. "Send Response and Complete" will complete the Video Consultation and response to the patient.**

Screenshots for Doctors

Under "EConsult", click on "Video Room". Here doctors will be able to see all the patients who have booked appts for the day. Patient Icon will be in Red initially and once the patient connects, it will change to Green.

The screenshot shows the DocPulse web application interface. The top navigation bar includes 'Appointment booked with Dr.Ka...', 'MeetMyDoctor Video Consu...', 'DocPulse Video Consultation - P...', and 'DocPulse'. The main header displays 'mmdconnectappspot.com/dpulse/build/web/dpulse.html?v1#/home/patients/all_patients'. The left sidebar contains various menu items: 'Appointments', 'Patients', 'Billing', 'Queues', 'EMR', 'E-Consult', 'Lab', 'Radiology', 'Store', 'Pharmacy', 'Purchasing', 'CRM', 'IP', 'Vaccinations', 'Expense', 'SMS Center', 'Tasks', 'Files', 'Analysis', and 'Settings'. The 'E-Consult' menu is expanded, showing options: 'Pending', 'Video Room', 'Manage Card', 'Recharge Card', and 'View Patient Account'. The 'Video Room' option is selected. The main content area displays a table of patients with columns: Name, ID, Number, Email, Crid.Date, Notes, Status, Crid.By, Channel, and a 'Create Bill' button. The table lists 10 patients, with the 4th patient, 'Amit', having a 'Video' status and a 'Video' channel. The bottom of the screen shows the Windows taskbar with the search bar, task icons, and system clock (12:15 PM, 3/27/2020).
